# State Employee Retirement Incentive Program (SERIP)

## On-Site Presentations on the Capitol Complex

The State Employee Retirement Incentive Program (SERIP) is a two-part program to incent eligible state employees to retire: a financial incentive based on years of service with the State of Iowa paid out over five (5) years and financial contributions toward a state-sponsored health insurance plan up to five (5) years. **You must apply for SERIP by April 15, 2010** and separate from state employment no later than June 24, 2010.

These 1 ½ hour presentations will review the SERIP's incentives – financial and health insurance -- and the process of applying for the program. There will be time for you to ask questions during the sessions.
